The following people attended the meeting:

Sunpreet Singh

Dr. Gurpal Bindra Jee and Waryam Gulati Jee could not attend the meeting due to unavoidable circumstances.

Final building plans were presented to the committee by Sunpreet from Claude Berganza. There was one minor change to add another opening to the restrooms from the main entrance.

The plan was voted and was approved unanimously by all the committee members by show of hands. The committee did want to see some changes to the facade and the evaluation of the building. Pritpal will get an architectural opinion and quotes from Sikh scholars from India for the model of the Gurdwara within next two to three weeks.

Congratulations to the Sangat, we have a Gurdwara Building Plan in place.

The next meeting of the GBC will be held tomorrow, November 23rd at 6:00 PM sharp at Thomas & Betts office hosted by Mr. Jaspal Bawa. Mr. Dan Holland, The Builder from Christian Brothers Builders from Dyersburg, recommended by Dr. Bindra will attend the meeting to give us a cost estimate. MSSB Sangat's goal is to do this building within \$200,000 plus soft costs.

We have to be prepared to fund raise about \$230,000 in fund raising and about \$2,000 a month to pay for mortgage and other expenses.

Please plan to be there for the meeting.
